

There was a little girl who loved all things SWEET.  
She liked to eat chocolate for breakfast, lollies for lunch,  
jelly for dinner and donuts for dessert.

She did not like to eat anything healthy.  
In fact, when her mummy gave  
her vegetables for dinner,  
she would say...

**'YUK,  
YUK,  
YUK!'**

One morning after she woke up, she looked in the mirror  
and do you know what?

One of her teeth had  
**RUN AWAY!**

'Uh oh!' she said. 'I wonder where it went?'  
But she put on her coat and went about her day.

At the park she ate candy.  
At the beach she ate ice cream  
and at dinnertime she refused  
to eat any of her vegetables.

**'YUK,  
YUK,  
YUK!'**
