

In the bushlands lived a group of boisterous animals.
They were loud, confident, energetic and cheerful
creatures who all knew each other very well.

One day Koala showed up, but they didn't know who she was.

Cockatoo was a curious creature
and decided to talk to Koala.

‘Why are you so quiet?
You should raise
your **voice** and
be heard far
and wide like us.’

Koala sat there in silence
and did not answer.

After that, kangaroo kicked his way to the front and asked,
'Why are you so lazy? You should **hop hop hop** around.'
Koala still did not answer.
